

Data Management Training Plan 2025

Company A
Ministry of Health - Kingdom of Saudi Arabia

Document Control

Field	Details
Document Title	Data Management Training Plan 2025
Document ID	TR-PLAN-2025-001
Version	1.0
Effective Date	January 1, 2025
Plan Period	January 1, 2025 - December 31, 2025
Classification	INTERNAL
Owner	HR Training Department + Data Governance Team
Approver	Chief Data Officer (CDO)
Budget	250,000 SAR

Executive Summary

Plan Objectives

The 2025 Data Management Training Plan aims to:

- 1. Build a Data Culture: Ensure 100% of staff understand basic data governance and privacy principles
- 2. Develop Expertise: Train Data Stewards and Analysts on advanced tools and techniques
- 3. Maintain Compliance: Meet NDMO Domain 8 (Data Skills) and PDPL training requirements
- 4. Measure Impact: Track training effectiveness through assessments and behavior change

Budget Summary

Category	Budget (SAR)	% of Total
eLearning Platform (SuccessFactors)	50,000	20%
External Training (Vendor Certifications)	80,000	32%
Classroom Training (Facilities, Materials)	40,000	16%

Guest Speakers and Workshops	30,000	12%
Training Content Development	35,000	14%
Incentives and Awards	15,000	6%
TOTAL	250,000	100%

Key Metrics (2025 Targets)

Metric	2024 Actual	2025 Target
Overall Training Completion Rate	97%	98%
Assessment Pass Rate (Score >80%)	88%	90%
Data Steward Certification Rate	80%	95%
Employee Satisfaction Score	4.2/5	4.5/5
NDMO Domain 8 Compliance	92%	100%

1. Introduction

1.1 Purpose

This Training Plan establishes Company A's approach to data management education for 2025, ensuring all employees have the knowledge and skills to:

- Handle data responsibly and securely
- Comply with PDPL and NDMO regulations
- Leverage data for better decision-making
- Protect patient privacy

1.2 Scope

Target Audience: All 850 Company A employees across all departments

Audience Segment	# Employees	Training Focus
All Staff	850	Privacy basics, data security hygiene
Clinical Staff (Doctors, Nurses)	650	Patient data privacy, Epic EHR compliance
Data Stewards	25	Advanced governance, Colibra, data quality
Data Analysts	15	Visualization, Power BI, SQL best practices
IT Staff	120	Data security, encryption, access controls
Executives	10	Strategic data use, governance oversight

1.3 Regulatory Requirements

Regulation	Training Requirement
PDPL Article 14	Staff handling personal data must receive privacy
NDMO Domain 8.3	Annual data governance training for all employees
NDMO Domain 8.5	Specialized training for Data Stewards
ISO 27001 A.7.2.2	Security awareness training required

1.4 2024 Training Achievements

Highlights:

- 97% overall completion rate (exceeded 95% target)
- 88% assessment pass rate (exceeded 85% target)
- Launched Data Steward Bootcamp (20 stewards certified)
- Zero PDPL violations attributable to lack of training

Areas for Improvement:

- Increase Data Steward certification rate (80% → 95%)
- Add more hands-on practice sessions
- Develop Arabic language training materials

2. Training Needs Assessment

2.1 Skills Gap Analysis

Methodology: Survey of 200 employees (random sample) + manager feedback + NDMO audit findings

Skill Area	Current Proficiency	Target Proficiency	Gap	Priority
PDPL Compliance	3.8/5	4.5/5	0.7	High
Data Classification	3.5/5	4.5/5	1.0	High
Data Quality Principles	3.2/5	4.0/5	0.8	High
Collibra Data Catalog	2.8/5	4.0/5	1.2	Medium
Power BI Visualization	3.0/5	4.0/5	1.0	Medium
SQL Querying	2.5/5	3.5/5	1.0	Medium
Data Ethics	3.5/5	4.5/5	1.0	High

2.2 Training Priorities for 2025

Based on skills gap analysis and regulatory requirements:

1. Priority 1 (Mandatory for All):
- PDPL and Privacy Fundamentals
 - Data Classification and Handling
 - Data Security Hygiene (Phishing Prevention)
2. Priority 2 (Role-Specific):
- Data Steward Advanced Training
 - Data Analyst Visualization Skills
 - Clinical Staff Epic EHR Privacy Features
3. Priority 3 (Career Development):
- CDMP Certification Preparation
 - Advanced SQL for Analysts
 - Data Leadership for Managers

3. Training Curriculum

3.1 Curriculum Overview

Course Code	Course Name	Audience	Format	Duration	Frequency	Mandatory?
DG-101	Data Governance 101	All Staff	eLearning	30 min	Onboarding	■ Yes
PDPL-201	Privacy & PDPL Essentials	All Staff	Workshop + Quiz	1 hour	Annual	■ Yes
DC-202	Data Classification Training	All Staff	eLearning	45 min	Annual	■ Yes
SEC-203	Data Security Hygiene	All Staff	Phishing Sim	Continuous	Monthly	■ Yes

DS-301	Data Steward Bootcamp	Data Stewards	Classroom	2 days	Bi-Annual	■ Yes (Stewards)
CAT-302	Collibra Power User	Analysts/Stewards	Webinar	2 hours	Monthly	■■ Recommended
VIZ-303	Power BI Best Practices	Data Analysts	Workshop	4 hours	Quarterly	■■ Recommended
SQL-304	SQL for Data Professionals	Data Analysts	Online Course	8 hours	Self-paced	■■ Recommended
EPIC-401	Epic EHR Privacy Features	Clinical Staff	eLearning	30 min	Annual	■ Yes
EXEC-501	Data Leadership	Executives	Workshop	2 hours	Annual	■■ Recommended
CDMP-601	CDMP Certification Prep	Selected Staff	External	40 hours	Annual	■■ Optional

3.2 Course Details

DG-101: Data Governance 101

Objective: Introduce basic data governance concepts to new employees

Learning Outcomes:

- Define data governance and explain its importance
- Identify Company A's data governance structure (CDO, Data Stewards, DGC)
- Understand employee responsibilities for data handling
- Know where to find data policies and ask questions

Content:

1. What is Data Governance? (10 min)
2. Why Data Governance Matters at Company A (5 min)
3. Key Roles: CDO, Data Stewards, Data Owners (5 min)
4. Data Lifecycle: Create, Store, Use, Share, Archive, Dispose (5 min)
5. Your Responsibilities as a Company A Employee (5 min)

Assessment: 10-question quiz (pass score: 80%)

Delivery: eLearning (SuccessFactors LMS)

Duration: 30 minutes

Audience: All new employees (within first 30 days of joining)

PDPL-201: Privacy & PDPL Essentials

Objective: Ensure all staff understand KSA Personal Data Protection Law requirements

Learning Outcomes:

- Explain what PDPL is and why it matters
- Identify types of personal data (general, sensitive, health)
- Apply the 7 PDPL principles to daily work
- Know how to respond to data subject requests

- Report privacy incidents correctly

Content:

1. Introduction to PDPL (10 min)
2. What is Personal Data? Examples from Company A (10 min)
3. The 7 Principles of PDPL (15 min)
4. Data Subject Rights (Access, Rectification, Erasure) (10 min)
5. Handling Data Breaches (5 min)
6. Case Studies: Common PDPL Mistakes (10 min)

Assessment: 15-question quiz + scenario-based assessment (pass score: 80%)

Delivery: Live workshop (virtual or in-person) + quiz in LMS

Duration: 1 hour

Frequency: Annual refresher (mandatory for all staff)

2024 Results: 97% completion rate, 89% pass rate

DS-301: Data Steward Bootcamp

Objective: Certify Data Stewards in advanced data governance practices

Learning Outcomes:

- Master Collibra Data Catalog for metadata management
- Implement data quality rules in Informatica IDQ
- Conduct effective data lineage analysis
- Lead data governance initiatives in their domain
- Resolve data issues and escalate appropriately

Curriculum (2 Days):

Day 1: Data Governance Deep Dive

Time	Topic	Facilitator
09:00-10:30	Data Governance Framework Review	CDO
10:30-10:45	Break	
10:45-12:30	Data Ownership and Accountability	Data Governance Manager
12:30-13:30	Lunch	
13:30-15:00	Collibra Navigation and Asset Management	Collibra Vendor
15:00-15:15	Break	
15:15-17:00	Hands-On: Creating Business Glossary Entries	Data Governance Team

Day 2: Data Quality and Lineage

Time	Topic	Facilitator
09:00-10:30	Data Quality Fundamentals (6 Dimensions)	DQ Manager
10:30-10:45	Break	
10:45-12:30	Informatica IDQ: Building Data Quality Rules	Informatica Consultant
12:30-13:30	Lunch	
13:30-15:00	Data Lineage Analysis in Collibra	Collibra Vendor
15:00-15:15	Break	
15:15-16:30	Hands-On: Tracing Patient Data Lineage	Data Governance Team
16:30-17:00	Certification Exam	HR Training

Certification: Data Steward Certification (valid 2 years)

Prerequisites:

- Complete DG-101 and PDPL-201
- Nominated by Department Head
- 6+ months in Data Steward role

2025 Schedule:

- Session 1: March 15-16, 2025 (Riyadh HQ)
- Session 2: September 15-16, 2025 (Riyadh HQ)

Target: Certify remaining 5 uncertified Data Stewards (20/25 currently certified)

SEC-203: Data Security Hygiene (Phishing Simulation)

Objective: Build security awareness through continuous simulated phishing attacks

Program Details:

- Provider: KnowBe4 (Security Awareness Platform)
- Frequency: Monthly phishing simulations
- Content: Realistic phishing emails mimicking common attacks

Simulation Types:

Month	Scenario	Difficulty
January	Fake IT Password Reset	Easy
February	Fake HR Benefits Update	Medium
March	Fake CEO Request (Whaling)	Hard
April	Fake Vendor Invoice	Medium
May	Fake Ministry of Health Notice	Hard
June	Fake Delivery Notification	Easy

July	Fake IT Security Alert	Medium
August	Fake Conference Registration	Medium
September	Fake Job Application	Easy
October	Fake Bank Statement	Hard
November	Fake Social Media Alert	Medium
December	Fake Holiday Bonus	Hard

Metrics:

Metric	2024 Actual	2025 Target
Phishing Click Rate (Q1)	12%	<8%
Phishing Click Rate (Q4)	3%	<2%
Reporting Rate	45%	>60%

Remediation: Employees who click phishing links must complete 10-minute remedial training within 48 hours

4. Training Delivery Methods

4.1 Delivery Mix

Delivery Method	% of Training	Best For
eLearning (Self-Paced)	40%	Basic concepts, compliance training, refreshers
Live Virtual (Webinar)	25%	Interactive sessions, Q&A, demonstrations
Classroom (In-Person)	20%	Hands-on workshops, bootcamps, team exercises
On-the-Job (Coaching)	10%	Advanced skills, mentoring, real-world practice
External (Vendor/Cert)	5%	Certifications, specialized vendor training

4.2 Learning Management System (LMS)

Platform: SAP SuccessFactors Learning

Features:

- Course catalog with 50+ data management courses
- Automated enrollment for mandatory training
- Progress tracking and completion certificates
- Manager dashboards for team compliance
- Mobile app for learning on-the-go

2025 Enhancements:

- Add Arabic language courses (5 new courses)
- Integrate with Microsoft Teams for live session links
- Add gamification badges ("Data Champion," "Privacy Pro")

4.3 Training Facilities

Primary Location: Riyadh HQ - Training Room A (Capacity: 30)

Equipment:

- Projector and screen
- Video conferencing (Zoom/Teams)
- Whiteboard and flip charts
- Laptop workstations (15)
- Refreshments

Alternative Locations:

- Jeddah Regional Office - Training Room (Capacity: 15)
- Virtual classroom (unlimited capacity)

5. Training Schedule

5.1 Annual Calendar

Month	Training Activity	Target Audience	Format
January	PDPL Refresher (All Staff)	All Staff (850)	eLearning
January	Data Classification Training	All Staff (850)	eLearning
February	Collibra Power User Webinar	Analysts/Stewards (40)	Virtual
March	Data Steward Bootcamp (Session 1)	Data Stewards (15)	Classroom
March	Power BI Best Practices Workshop	Data Analysts (15)	Classroom
April	Data Ethics Workshop	Managers (50)	Virtual
May	CDMP Certification Exam	Selected Staff (5)	External
June	Collibra Power User Webinar	Analysts/Stewards (40)	Virtual
July	Data Quality Fundamentals	Data Stewards (25)	eLearning
August	Epic EHR Privacy Refresher	Clinical Staff (650)	eLearning
September	Data Steward Bootcamp (Session 2)	Data Stewards (10)	Classroom
October	SQL for Data Professionals	Data Analysts (15)	Online
November	Data Leadership Workshop	Executives (10)	Classroom
December	Annual Training Review	All Staff	Survey

5.2 Mandatory Training Deadlines

Training	Audience	Deadline	Consequence of Non-Completion
PDPL Refresher	All Staff	January 31, 2025	Access to Epic EHR suspended
Data Classification	All Staff	February 28, 2025	Manager escalation
Data Security Hygiene	All Staff	Ongoing (monthly)	Mandatory remedial training
Data Steward Bootcamp	Data Stewards	March/Sept 2025	Cannot perform steward duties

6. Roles and Responsibilities

6.1 Training RACI Matrix

Activity	HR Training	Data Gov Team	Managers	Employees	CDO
Develop training content	R	A	C	I	A
Schedule training sessions	R	C	C	I	I
Deliver training	R	R	I	I	C
Track completion	R	C	A	R	I
Assess learning outcomes	R	R	C	R	C
Address non-completion	C	I	R	R	A
Approve training budget	I	C	I	I	A

6.2 Key Contacts

Role	Name	Responsibility	Email
Training Manager	Fatima Al-Rashid	Overall training program management	fatima.rashid@companya.gov.sa
Data Governance Trainer	Ahmed Al-Harbi	Data governance content and delivery	ahmed.harbi@companya.gov.sa
LMS Administrator	Nora Al-Ghamdi	SuccessFactors administration	nora.ghamdi@companya.gov.sa
CDO (Executive Sponsor)	Dr. Yasser Al-Najjar	Budget approval, strategic direction	cdo@companya.gov.sa

7. Assessment and Certification

7.1 Assessment Methods

Assessment Type	Purpose	Passing Score	Retakes Allowed
Quiz (Multiple Choice)	Knowledge verification	80%	2
Scenario-Based Assessment	Application of concepts	80%	2
Practical Exercise	Hands-on skills demonstration	Pass/Fail	1
Certification Exam	Comprehensive competency	70%	1

7.2 Certification Programs

Certification	Target Audience	Requirements	Validity
Company A Data Steward	Data Stewards	Complete DS-301 Bootcamp + Pass Exam	2 years
Company A Privacy Champion	Privacy leads	Complete PDPL-201 + Advanced Privacy	1 year
CDMP (External)	Senior Data Staff	DAMA exam (external)	3 years
Colibra Certified	Analysts	Colibra vendor certification	2 years

7.3 2025 Certification Targets

Certification	Current Certified	2025 Target	Gap
Company A Data Steward	20/25	25/25	5
Company A Privacy Champion	8/10	10/10	2
CDMP	2	5	3
Colibra Certified	5	10	5

8. Incentives and Recognition

8.1 Incentive Programs

"Data Champion" Badge Program:

- Earn badges for completing training modules
- Badges displayed on employee profile in intranet
- Levels: Bronze (3 courses), Silver (5 courses), Gold (8 courses), Platinum (all courses)

Training Completion Rewards:

Achievement	Reward
Complete all mandatory training by deadline	Recognition in all-staff email
Achieve Gold badge	Gift voucher (500 SAR)
Achieve Platinum badge	Extra vacation day + trophy
Top quiz score (annual)	"Data Star" award (1,000 SAR)
100% team completion (by manager)	Team lunch sponsored by CDO

8.2 Annual Training Awards (December 2025)

Award	Criteria	Prize
Data Champion of the Year	Highest training engagement score	2,000 SAR + trophy
Best Trainer	Highest satisfaction rating	1,500 SAR + certificate
Most Improved Department	Greatest completion rate increase	Team celebration event
Innovation Award	Best training improvement suggestion	1,000 SAR

9. Monitoring and Evaluation

9.1 Training Metrics Dashboard

Monthly Metrics (Tracked in SuccessFactors):

Metric	Jan	Feb	Mar	...	Dec	Target
Completion Rate (Mandatory)						98%
Assessment Pass Rate						90%
Phishing Click Rate						<5%
Satisfaction Score						4.5/5
Training Hours per Employee						8 hrs/year

9.2 Evaluation Framework (Kirkpatrick Model)

Level	Evaluation	Method	Timing
Level 1: Reaction	Did learners enjoy the training?	Post-training survey	Immediately after
Level 2: Learning	Did learners acquire knowledge?	Assessment/quiz scores	End of training
Level 3: Behavior	Are learners applying skills?	Manager observation, audits	3-6 months after

Level 4: Results	Is there business impact?	KPIs (DQ score, incidents)	6-12 months after
------------------	---------------------------	----------------------------	-------------------

9.3 Quarterly Training Review

Quarterly Review Meeting:

- Attendees: CDO, HR Training Manager, Data Governance Manager
- Agenda:
 1. Review completion rates by department
 2. Address non-compliance issues
 3. Analyze assessment results
 4. Review budget utilization
 5. Plan next quarter activities

2025 Review Schedule:

- Q1 Review: April 15, 2025
- Q2 Review: July 15, 2025
- Q3 Review: October 15, 2025
- Q4 Review: January 15, 2026

10. Appendices

Appendix A: Training Request Form

Form ID: TR-REQ-001

Field	Value
Employee Name	
Employee ID	
Department	
Manager Name	
Training Requested	
Business Justification	
Estimated Cost (if external)	
Manager Approval	☐ Approved ☐ Not Approved

Submit to: training@companya.gov.sa

Appendix B: Training Feedback Form

Post-Training Survey:

1. Overall, how satisfied were you with this training? (1-5)
2. The training content was relevant to my job. (1-5)
3. The trainer was knowledgeable and engaging. (1-5)
4. I can apply what I learned to my work. (1-5)
5. What did you like most about this training?
6. What could be improved?
7. Would you recommend this training to colleagues? (Yes/No)

Appendix C: 2025 Training Budget Detail

Line Item	Description	Amount (SAR)
SuccessFactors License	LMS annual license for 850 users	50,000
CDMP Certification	5 employees × 4,000 SAR/exam	20,000
Colibra Certification	5 employees × 6,000 SAR/course	30,000
External Trainers	3 workshops × 10,000 SAR	30,000
Classroom Facilities	Training room rental and A/V	15,000
Training Materials	Workbooks, handouts, supplies	15,000
Refreshments	Catering for classroom sessions	10,000
Content Development	New eLearning modules (Arabic)	35,000
KnowBe4 Phishing	Security awareness platform license	25,000
Awards and Incentives	Badges, gift vouchers, trophies	15,000
Contingency	Unexpected expenses	5,000
TOTAL		250,000
